INDEX OF SUBJECTS AND AUTHORS

Accidental pneumothorax during pneumoperitoneum treatment, 688
Air embolism, Spontaneous, 682
Allergic guinea pigs, tissues of normal and, Growth of tubercle bacilli in, 782
ALPERT, SAMUEL, AND GOTTLIEB, CHARLES. Bacterial endocarditis in pulmonary tuberculosis, 807
American Trudeau Society, Annual meeting of the, 292
Anatomical studies on human tuberculosis, (Supplement, August, 1940)
Angular roentgenography of the pulmonary apex, 738
Apex, pulmonary, Angular roentgenography of the, 738
ARONSON, JOSEPH D., PARR, ERMA I., AND SAYLOR, ROBERT M. BCG vaccine, 651
Artificial pneumothorax, 431
Aspiration, cavity, (Monaldi), Technique of, 401
——, suction, Monaldi's, of tuberculous cavities, 614
Asthma, Bronchial, and pulmonary tuberculosis, 174
AUERBACH, OSCAR, AND GREEN, HENRY. The pathology of clinically healed tuberculous cavities, 707
AUFSES, ARTHUR H. Bronchial obstruction and collapse therapy, 622
Avian tuberculosis, Sulfapyridine in, 146
Axillary approach for extrapleural pneumonolysis and pneumothorax, 76

Bacilli, tubercle, Demonstration of, 543
——, ——, Effect of egg oil on, 422
——, ——, Growth of, in tissues of normal and allergic guinea pigs, 782
——, ——, virulent, Elimination of, by the normal kidney of the guinea pig, 70
Bacillus, smegma, tubercle and, Differentiation of, 815
Bacterial endocarditis in pulmonary tuberculosis, 807
Bacteriological diagnosis of tuberculosis, 795
BAKER, LYNNE E. See SKAVLEM, JOHN H., *et al.*, 747
BALLINGER, JOSEPH, AND HERSHEY, J. IVAN. Cavity closure, 536
BANYAI, ANDREW L., AND JURGENS, GEORGE H. Accidental pneumothorax during pneumoperitoneum treatment, 688
BARACH, ALVAN L. Immobilization of lungs through pressure, 586
BARTH, E. E. See MILLS, MOORE A., *et al.*, 28
BCG vaccine, 651
BENNETT, EDWIN S., AND KUPKA, EDWARD. Monaldi's suction aspiration of tuberculous cavities, 614
BENT, MICHAEL J., AND WEST, HAROLD D. Differentiation of tubercle and smegma bacillus, 815
Bilateral spontaneous pneumothorax in silicosis, 412
Blood vessels, Meningeal, in tuberculous meningitis, 315
BOGEN, EMIL. The toll of tuberculous infection, 253
BOHORFOUSH, J. G., AND MICHAEL, PAULINE E. Control of tuberculosis, 488
BOOKS:
Artificial pneumothorax. Its practical application in the treatment of pulmonary tuberculosis. Edited by EDWARD N. PACKARD, JOHN N. HAYES AND SIDNEY F. BLANCHET, 151
RIST, EDOUARD. La Tuberculose, 152
Tuberculosis. A bibliography of articles published as part of a cooperative investigation by the National Tuberculosis Association, The United States Public Health Service, and certain Universities and Institutions, 153
Directory of medical specialists. Certified by American Boards. PAUL TITUS, Directing Editor, 153

CANETTI, GEORGES. Les réinfections tuberculeuses latentes du poumon, 154
CESAR PANGAS, JULIO. La primoinfección tuberculosa del adulto, 154
